Old Business: There had been a meeting between the Planning Board Chair, Zoning Board Chair, Town Supervisor and the Zoning Officer to discuss the manner that the boards would like to receive the Zoning Officer's reports. It was agreed that the Zoning Officer would continue to provide a monthly report to the Town Supervisor and a copy would be provided to the Planning and Zoning Board. It was also agreed that if the Boards had any questions or concerns, they should contact the Zoning Officer directly. Minutes of this meeting have not been received.

New Business: Questions were raised about how the mandatory training requirements and how credit would be obtained. As the video training being held had no way of tracking who attended the participants would not be given credit.

Some of the Board members were getting solicitation letters to purchase power from the solar farm that was being built. Questions on what the status of the permit for it were asked as no notations were on the zoning officer reports.

The Board recommended that the Town Supervisor contact Dan Houseman concerning what documentation he would have had concerning Augusta Greens.
